DOCUMENTS TO BE RECEIVED BY ME FROM THE CITY OF ATLANTA SOLICITOR'S OFFICE (PROSECUTOR).			· ·	•

The majority of requests to enter a plea in absentia are accepted. However, there are pleas that are rejected for various reasons. You will be notified through the mail, if your plea in absentia is rejected at any point during the process. Please note that once you receive documents from the City of Atlanta's Solicitor's office, you must follow the instructions set out in said documents. All plea in absentia cases are given a 90 day reset court date. You will be notified by mail of the new date. This is the date by which we want to have your case completed through the mail. If your case cannot be completed through the mail in the 90 days, then the reset date becomes an actual court appearance date. Failure to appear at a court appearance date may result in the suspension of your driving privilege and a \$100.00 penalty being added to your case.
